EU' + EFTA COUNTRIES REGISTRATION FIGURES BY MARKET TOTAL NEW COMMERCIAL VEHICLES

Commencing with the January 2010 new passenger car registrations figures, the ACEA data sheets will provide new vehicle registrations in alphabetical order for the countries of the European Union, and no longer separate for Western-Europe (15) and new EU Member States (10). Results for the EFTA countries will continue to be reported separately. The monthly press releases will quote the 'EU' figures first, followed by the 'total Europe' figures, adding up the EU and EFTA figures.
